

Covid-19 Safety Procedures at PHCC

Now that golf courses are permitted to open, we all have a responsibility to follow certain protocol. Pine Hills will be instituting new policies which we will strictly enforce, our staff and golfers have a responsible to follow these policies to ensure a safe environment to enjoy the game we all love.

- **Masks must be worn upon arriving to the golf course** and when in and around the clubhouse, staff and other patrons.
- Tee times are required, preferably made online. Our staff will be focused on attending to customers and may not be able to answer the phone until later in the day.
- **Pace and Space-** move around the golf course in a quick manner. Eliminate searching for lost balls and encourage gimmies on the green. Maintain a minimum of 6 feet between you and playing partners. Our staff will strictly enforce social distancing and repeat offenders will be removed from the golf course.
- Flag stick must be left in the cup and not be touched. A piece of foam has been placed in each cup so you will not need to touch the flagstick or reach into the cup. **Gimmies are good.**
- While the restaurant and bar will be closed for sit down service, **Take Out is still available** and can be purchased by calling the restaurant 570-562-0138 Opt. 3. The food will be ready for pick up with minimal waiting time and personal contact. **Coming Soon- Online food and drink orders**
- 1 person per cart has been allowed by Gov. Wolf. In time of high demand, 2 carts per foursome will be issued. Those walking can put their bag on a cart at a reduced rate. Return carts to a designated area for sterilization and personally dispose of any trash in a receptacle.
- At the end of your round, replace the traditional handshake for other touchless signs of greetings or goodbye and leave the golf course to eliminate congestion/gathering on the property.

These are challenging times. Following guidance from the CDC and these accepted practices will minimize the spread of Covid-19 and keep our golf courses open for enjoyment. The policies we have put forth may be modified, as we react to a changing environment. Please cooperate and take guidance from our staff to help ensure the safety of our customers and employees.
